6. POWER OF ATTORNEY

- 6.1 In order to secure the performance of our obligations in this deed, we shall (and, where applicable, shall procure that the registered holder of the Shares shall) appoint each director of the Offeror severally as our attorney in our name or otherwise and on our behalf to do all things and to execute all deeds and other documents as may be necessary or desirable in relation to any obligations contained in this deed including without limitation to vote in favour of/accept the Acquisition in respect of the Shares and to execute any form of proxy required by the Offeror appointing any person nominated by the Offeror to attend and vote at any general or class meeting of the Company and generally to comply with the terms of the Scheme Document.

- 6.2 We agree that this power of attorney is given by way of security and is irrevocable in accordance with section 4 of the Powers of Attorney Act 1971 until this deed lapses, or (if earlier) the Scheme becomes effective.

7. INFORMATION AND DOCUMENTATION

- 7.1 We shall promptly provide such information relating to us as may be reasonably requested in order to comply with the rules of the Code and the London Stock Exchange, the Companies Act, the Financial Conduct Authority and any other legal or regulatory requirements.
- 7.2 We shall, promptly after becoming aware of the same, notify the Offeror in writing of any material change in the accuracy or import of any information previously supplied to the Offeror by us.

- 7.3 We shall notify the Offeror in writing if we become aware of any bona fide approach to the Company or us in relation to a possible competing offer (whether such approach is directly or indirectly made, and whether made in writing or not) as soon as reasonably practicable after we become aware of any such approach.
- 7.4 We consent to the inclusion of references to us and the provisions of this deed in the Rule 2.7 Announcement, the Scheme Document (or the Takeover Offer Document as the case may be) and any document in connection with the Acquisition that is required by the Code or any other legal or regulatory requirements.

8. TERMINATION

All of our obligations under this deed shall, without prejudice to any prior breaches, lapse if:

- (a) the Offeror publicly announces, before the Scheme Document or the Takeover Offer Document (as the case may be) is published, that it does not intend to proceed with the Acquisition;
- (b) the Scheme or a Takeover Offer announced by the Offeror in implementation of the Acquisition has not become effective or been declared unconditional in accordance with the requirements of the Code (as the case may be) by the Long Stop Date (as defined in the Rule 2.7 Announcement);
- (c) the Scheme or a Takeover Offer (as the case may be) has lapsed or been withdrawn (for the avoidance of doubt, this shall not apply: (i) where the Scheme lapses or is withdrawn solely as a result of the Offeror exercising its right to implement the Acquisition by way of a Takeover Offer rather than a Scheme; or (ii) where the reason for the lapse of the Scheme or the Takeover Offer (as the case may be) is as a result of our breach of this deed) and no new, revised or replacement Scheme or Takeover Offer has been announced by the Offeror or its affiliates in accordance with Rule 2.7 of the Code at the same time; or
- (d) any third party announces a firm intention to make an offer (whether made by way of a takeover offer or a scheme of arrangement) in accordance with the Code (a "**Firm Third Party Offer**") to acquire the entire issued and to be issued ordinary share capital of the Company (save for those shares in the Company already owned by such third party or by any person acting in concert with it) and the consideration payable for each Share under such Firm Third Party Offer is at least 435 pence per Share (being approximately 13.5 per cent. greater than the amount or value of consideration offered under the Acquisition) (a "**Superior Proposal**"). If any Superior Proposal includes non-cash consideration, such as shares or other securities, the amount or value of the consideration offered under the Superior Proposal for the purposes of this paragraph 8(d) shall be as determined by the Company's board of directors (acting reasonably), having taken advice from its financial adviser.

9. GENERAL

- 9.1 We acknowledge that the release of the Rule 2.7 Announcement is at the Offeror's absolute discretion and, in particular, the Company reserves the right not to release the Rule 2.7 Announcement unless the board of the Offeree agrees to recommend the Acquisition. For the avoidance of doubt, nothing in this deed shall oblige the Offeror to announce or effect the Acquisition.

- 9.8 In this deed, references to an "interest" in securities shall have the meaning given to such term in the Code and all references to time are to London time.
- 9.9 A person who is not party to this deed has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this deed but this does not affect any right or remedy of a third party which exists or is available apart from that Act.
- 9.10 The invalidity, illegality or unenforceability of any provision of this deed shall not affect the continuation in force of the remainder of this deed.
- 9.11 This deed contains the whole agreement between the Offeror and us relating to the subject matter of this deed at the date hereof to the exclusion of any terms implied by law which may be excluded by contract. We acknowledge that we have not been induced to sign this deed by any representation, warranty or undertaking not expressly incorporated into it.
- 9.12 We agree that damages would not be an adequate remedy for breach of this deed and accordingly that the Offeror shall be entitled to the remedies of specific performance, injunction or other equitable relief and no proof of special damages shall be necessary for the enforcement by the Offeror of its rights.
- 9.13 We agree that this deed (and any dispute, controversy, proceedings or claim of any nature arising out of or in connection with it, including non-contractual disputes and claims) shall be governed and construed in accordance with English law. RECOMMENDED CASH OFFER

for

IMMUNODIAGNOSTIC SYSTEMS HOLDINGS PLC

by

PERKINELMER (UK) HOLDINGS LTD
a wholly-owned subsidiary of

PERKINELMER, INC.

to be effected
by way of a scheme of arrangement
under Part 26 of the Companies Act 2006

Summary

- The boards of PerkinElmer, Inc. ("**PerkinElmer**") and Immunodiagnostic Systems Holdings PLC ("**IDS**") are pleased to announce that they have reached agreement on the terms of a recommended all cash offer whereby the entire issued and to be issued ordinary share capital of IDS will be acquired by PerkinElmer (UK) Holdings Limited ("**PerkinElmer UK**") (the "**Acquisition**").

- Under the terms of the Acquisition, each IDS Shareholder will be entitled to receive:

382 pence in cash per IDS Share

- The Acquisition values the entire issued and to be issued ordinary share capital of IDS at approximately £110 million (\$155 million), on the basis of a fully diluted share capital of 28,865,469 IDS Shares. This implies an enterprise value of IDS of approximately £88 million (\$124 million).
- The price of 382 pence in cash per IDS Share represents a premium of approximately:
 - 49.8 per cent. to the Closing Price of 255 pence per IDS Share on the Last Practicable Date;
 - 58.1 per cent. to the Volume Weighted Average Price per IDS Share during the one month period ended on the Last Practicable Date;
 - 68.2 per cent. to the Volume Weighted Average Price per IDS Share during the three month period ended on the Last Practicable Date; and
 - 72.5 per cent. to the Volume Weighted Average Price per IDS Share during the five year period ended on the Last Practicable Date.

- PerkinElmer UK is a private limited company, which was duly incorporated in April 1999 under the laws of England and Wales. Its registered office is Chalfont Road, Seer Green, Beaconsfield, Buckinghamshire, United Kingdom HP9 2FX. PerkinElmer UK's principal activity is that of an intermediate holding company and its subsidiaries are engaged in the development, manufacture and sale of life science and diagnostic products and services.
- The IDS Directors, who have been so advised by Peel Hunt as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the IDS Directors, Peel Hunt has taken into account the commercial assessments of the IDS Directors. Peel Hunt is providing independent financial advice to the IDS Directors for the purposes of Rule 3 of the Code.
- Accordingly, the IDS Directors intend to recommend unanimously that Scheme Shareholders vote or procure votes in favour of the Scheme at the Court Meeting and that IDS Shareholders vote or procure votes in favour of the Resolutions to be proposed at the General Meeting, as the IDS Directors have irrevocably undertaken to do in respect of their own beneficial holdings (or to procure in respect of the holdings of certain persons connected with them) of 136,633 IDS Shares (representing, in aggregate, approximately 0.47 per cent. of the IDS Shares in issue on the Last Practicable Date), as detailed in Appendix III.
- In addition to the irrevocable undertakings received from the IDS Directors, PerkinElmer UK has received irrevocable undertakings from Forum Venture Capital GmbH, Forum European Smallcaps GmbH, Shareholder Value Management AG, Shareholder Value Beteiligungen AG, Frankfurter Aktienfonds für Stiftungen and Frankfurter Value Focus Fund (as detailed in Appendix III) to vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting (or, if PerkinElmer UK, with the consent of the Takeover Panel, exercises its right to implement the Acquisition by way of a Takeover Offer, to accept such offer), in respect of 16,537,560 IDS Shares (representing, in aggregate, approximately 57.45 per cent. of the IDS Shares in issue on the Last Practicable Date).
- Therefore, as at the date of this Announcement, PerkinElmer UK has received irrevocable undertakings in respect of a total of 16,674,193 IDS Shares (representing approximately 57.93 per cent. of the IDS Shares in issue on the Last Practicable Date).
- It is intended that the Acquisition be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (or, if PerkinElmer UK so elects and with the consent of the Takeover Panel, a Takeover Offer). In order to become effective, the Scheme must be approved by a majority in number of the Scheme Shareholders entitled to vote and voting at the Court Meeting, either in person (physically or virtually) or by proxy, representing at least 75 per cent. in value of the Scheme Shares voted. The implementation of the Scheme must also be approved by IDS Shareholders at the General Meeting.
- If any dividend or other distribution in respect of the IDS Shares is declared, paid or made on or after the date of this Announcement, PerkinElmer UK reserves the right to reduce the consideration payable for each IDS Share under the terms of the Acquisition by the amount per IDS Share of such dividend or distribution. In such circumstances, IDS Shareholders will be entitled to receive and retain any such dividend or other distribution.
- The Acquisition will be subject to the Conditions and certain further terms set out in Appendix I and to the full terms and conditions of the Acquisition which will be set out in the Scheme Document.
- PerkinElmer, a multinational corporation headquartered in the United States, is listed on the New York Stock Exchange and is a component of the S&P 500 Index. PerkinElmer is a global leader in the life sciences and diagnostics industry offering a broad portfolio of products, services and solutions for the diagnostics, life sciences, food and applied markets. PerkinElmer's innovative detection, discovery and development, cell imaging, informatics, and service capabilities, combined

with deep market knowledge and expertise, help scientists support healthier families, improve the quality of life, and sustain the wellbeing and longevity of people globally.

- IDS is a specialist producer of manual and automated diagnostic testing kits and instruments for the clinical and research markets. IDS develops, manufactures and markets innovative immunoassays and automated immunoanalyser technologies to provide improved diagnostic outcomes for patients. IDS' immunoassay portfolio is a combination of an endocrinology specialty testing menu, a comprehensive autoimmune disease testing menu, and assay panels in complementary fields. IDS' instrument platforms, the IDS-iSYS and IDS-i10 multi-discipline automated systems, which are manufactured and developed in-house, aim to improve laboratory efficiency for IDS' customers through automated random access technology.
- The Scheme Document will include full details of the Acquisition, together with notices of the Court Meeting and General Meeting and the expected timetable of principal events relating to the Acquisition, and will also specify the action to be taken by IDS Shareholders. It is expected that the Scheme Document will be published within 28 days of the date of this Announcement (or on such later date as may be agreed by the Takeover Panel).
- The Acquisition is currently expected to become Effective in early Q3 2021, subject to the satisfaction or waiver of the Conditions and certain further terms set out in Appendix I and to the full terms and conditions of the Acquisition which will be set out in the Scheme Document.

Commenting on the Acquisition, Jaap Stuut, CEO of IDS, said:

"I am very pleased that upon approval of this proposed transaction IDS will be able to join the PerkinElmer family. This will allow IDS to significantly accelerate our existing growth plans, while providing exciting new opportunities for our employees, customers, partners and suppliers. Euroimmun AG have been a valued partner of IDS for many years, and this transaction will allow us to co-operate jointly to continuously provide innovative diagnostic solutions to both existing and new customers around the globe. I am excited and confident that this proposed transaction represents an excellent opportunity for all stakeholders."

Commenting on the Acquisition, Wolfgang Schlumberger, CEO of Euroimmun AG, a company in the PerkinElmer Group said:

"This proposed transaction is highly valuable for both parties as the respective product lines are to a large extent complementary. The cooperation of our global distribution channels, the expansion of the immunoassay portfolio in closely related indication fields and IDS' fully automated random access chemiluminescence platform strengthens our presence in immunodiagnostics. Our customers will benefit from a broader range of assays and laboratory diagnostic workflows. We are excited about these new opportunities and we look forward to welcoming IDS into the PerkinElmer family following completion of the transaction."

Financial information relating to IDS included in this Announcement and the Scheme Document has been or will have been prepared in accordance with accounting standards applicable in the United Kingdom that may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

It may be difficult for US holders of IDS Shares to enforce their rights and any claims they may have arising under US federal securities laws in connection with the Acquisition, since IDS is organised under the laws of a country other than the United States, and some or all of its officers and directors may be residents of countries other than the United States, and most of the assets of IDS are located outside of the United States. US holders of IDS Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US federal securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's jurisdiction or judgment.

The receipt of cash consideration by a US holder for the transfer of its IDS Shares pursuant to the Scheme may be a taxable transaction for United States federal income tax purposes. Each US holder is urged to consult its independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to it, including under applicable United States state and local, as well as overseas and other, tax laws.

The Acquisition may, in the circumstances provided for in this Announcement, instead be carried out by way of a Takeover Offer under the laws of England and Wales. If PerkinElmer UK exercises, with the consent of the Takeover Panel, its right to implement the Acquisition by way of a Takeover Offer instead of the Scheme, such Takeover Offer will be made in compliance with applicable US tender offer and other securities laws and regulations, including the exemptions therefrom. Any Takeover Offer will be made in the United States by PerkinElmer UK and no one else.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th Business Day following the commencement of the Offer Period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. RECOMMENDED CASH OFFER

for

IMMUNODIAGNOSTIC SYSTEMS HOLDINGS PLC

by

PERKINELMER (UK) HOLDINGS LTD
a wholly-owned subsidiary of

PERKINELMER, INC.

to be effected
by way of a scheme of arrangement
under Part 26 of the Companies Act 2006

1. Introduction

The boards of PerkinElmer, Inc. ("**PerkinElmer**") and Immunodiagnostic Systems Holdings PLC ("**IDS**") are pleased to announce that they have reached agreement on the terms of a recommended all cash offer whereby the entire issued and to be issued ordinary share capital of IDS will be acquired by PerkinElmer (UK) Holdings Limited ("**PerkinElmer UK**") (the "**Acquisition**").

It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act. PerkinElmer UK reserves the right to elect, with the consent of the Takeover Panel, to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued ordinary share capital of IDS as an alternative to the Scheme.

Upon completion of the Acquisition IDS will be indirectly wholly-owned by PerkinElmer.

2. The Acquisition

Under the terms of the Acquisition, which will be subject to the Conditions and certain further terms set out in Appendix I and to the full terms and conditions which will be set out in the Scheme Document, each IDS Shareholder will be entitled to receive:

382 pence in cash per IDS Share

The Acquisition values the entire issued and to be issued ordinary share capital of IDS at approximately £110 million (\$155 million), on the basis of a fully diluted share capital of 28,865,469 IDS Shares. This implies an enterprise value of IDS of approximately £88 million (\$124 million).

The price of 382 pence in cash per IDS Share represents a premium of approximately:

- 49.8 per cent. to the Closing Price of 255 pence per IDS Share on the Last Practicable Date;
- 58.1 per cent. to the Volume Weighted Average Price per IDS Share during the one month period ended on the Last Practicable Date;
- 68.2 per cent. to the Volume Weighted Average Price per IDS Share during the three month period ended on the Last Practicable Date; and
- 72.5 per cent. to the Volume Weighted Average Price per IDS Share during the five year period ended on the Last Practicable Date.

PerkinElmer UK is a private limited company, which was duly incorporated in April 1999 under the laws of England and Wales. Its registered office is Chalfont Road, Seer Green, Beaconsfield, Buckinghamshire, United Kingdom HP9 2FX. PerkinElmer UK's principal activity is that of an intermediate holding company and its subsidiaries are engaged in the development, manufacture and sale of life science and diagnostic products and services.

The IDS Shares will be acquired by PerkinElmer UK fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third party rights or interests whatsoever and together with all rights existing at the date of this Announcement or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the date of this Announcement in respect of the IDS Shares.

If any dividend or other distribution in respect of the IDS Shares is declared, paid or made on or after the date of this Announcement, PerkinElmer UK reserves the right to reduce the consideration payable for each IDS Share under the terms of the Acquisition by the amount per IDS Share of such dividend or distribution. In such circumstances, IDS Shareholders will be entitled to receive and retain any such dividend or other distribution.

3. Recommendation

The IDS Directors, who have been so advised by Peel Hunt as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the IDS Directors, Peel Hunt has taken into account the commercial assessments of the IDS Directors. Peel Hunt is providing independent financial advice to the IDS Directors for the purposes of Rule 3 of the Code.

Accordingly, the IDS Directors intend to recommend unanimously that Scheme Shareholders vote or procure votes in favour of the Scheme at the Court Meeting and that IDS Shareholders vote or procure votes in favour of the Resolutions to be proposed at the General Meeting, as the IDS Directors have irrevocably undertaken to do in respect of their own beneficial holdings (or to procure in respect of the holdings of certain persons connected with them) of 136,633 IDS Shares (representing, in aggregate, approximately 0.47 per cent. of the IDS Shares in issue on the Last Practicable Date).

4. Background to and reasons for the Acquisition

PerkinElmer is a global leader in the life sciences and diagnostics industry offering a broad portfolio of products, services and solutions for the diagnostics, life sciences, food and applied markets. PerkinElmer is focused on serving attractive end markets, improving its product mix, enhancing geographic reach and strengthening its technological capabilities. PerkinElmer believes the acquisition of IDS is a direct investment into high-growth, complementary areas that will enable PerkinElmer to better address evolving market needs in the future.

IDS is a specialist producer of manual and automated diagnostic testing kits and instruments for the clinical and research markets. The Company develops, manufactures and markets innovative immunoassays and automated immunoanalyser technologies to provide improved diagnostic outcomes for patients. IDS' immunoassay portfolio is a combination of an endocrinology specialty testing menu and assay panels in complementary fields. IDS has manufacturing sites in the UK, Belgium, Italy and France. Customers are served via a direct sales and customer/technical support presence in the UK, France, Germany, the US and Brazil, with other territories being served through third-party distributors. Founded in 1977, IDS' shares were admitted to trading on AIM in 2004.

The discussions between PerkinElmer and IDS have confirmed PerkinElmer's belief that a combination of IDS and PerkinElmer would bring clear strategic and financial benefits. In particular:

- IDS' innovative technologies and capabilities complement PerkinElmer's overall diagnostics business and specifically its immunodiagnostics segment;
- a combination of IDS' best-in-class chemiluminescence products in the field of endocrinology and autoimmunity with PerkinElmer's existing suite of immunoassays would position the Combined Group as a premier player in immunodiagnostics, offering unique and synergistic solutions to mutual customers of both standalone businesses;
- PerkinElmer's strong global infrastructure and channel presence within autoimmunity and infectious disease testing would also expand IDS' ability to serve a broader customer base and accelerate the global growth profile of the portfolio;
- PerkinElmer believes that IDS is attractively positioned in markets that are expected to grow at a high single digit annual growth rate in the medium-term;
- PerkinElmer places great value on IDS' talented employee base and believes that overall the opportunities for IDS staff should be enhanced by being part of a better capitalised group with greater scale and complementary capabilities; and
- PerkinElmer believes that a combination of PerkinElmer's and IDS' complementary capabilities together with PerkinElmer's global channel access and commitment to further investment, should accelerate the growth of the Combined Group and provide compelling opportunities for all stakeholders, including customers, employees and senior management.

Over its long history, PerkinElmer has built a strong track record of successfully integrating and scaling acquired global businesses, and thereby providing customers with the added benefits of a broader and more integrated offering. Consequently, PerkinElmer believes that it is the most suitable owner of IDS over the long-term and well positioned to deliver on the considerable commercial, operational and financial benefits which a combination would give rise to.

Accordingly, PerkinElmer has decided to make this cash offer at a price which fully reflects IDS' intrinsic value and PerkinElmer believes the Acquisition provides a compelling opportunity for IDS Shareholders to realise the full value of their investment in cash at a substantial upfront premium to the prevailing share price of the IDS Shares. Meanwhile, PerkinElmer is confident that the Acquisition will enhance the economic value of PerkinElmer and deliver long-term shareholder value. PerkinElmer expects the Acquisition to be modestly accretive to non-GAAP earnings in year one following completion. For the avoidance of doubt, this statement does not constitute a profit forecast under Rule 28 of the Code.

PerkinElmer welcomes the IDS board's support for the Acquisition and the proposed unanimous recommendation from the IDS Directors to the Scheme Shareholders to vote or procure votes in favour of the Scheme and the Resolutions to be proposed at the Court Meeting and the General Meeting respectively.

5. Background to and reasons for the IDS Directors' recommendation

IDS is a specialist producer of manual and automated diagnostic testing kits and instruments for the clinical and research markets. Following a period of strong growth, around ten years ago the level of competition in the vitamin D assay market, which had been a very significant area of focus for IDS, increased markedly which severely impacted IDS' growth and profitability.

As a result, IDS undertook a range of strategic initiatives in order to diversify its revenue streams away from vitamin D testing and ultimately return it to growth. IDS saw success with this strategy and it returned to revenue growth in both financial years ended March 2019 and 2020 driven, in part, by menu expansion (especially in the area of specialty assays) and improving instrument placements.

More recently however, the financial results in the first half of the financial year ending March 2021 were adversely impacted by the Covid-19 pandemic, which led to reduced levels of routine diagnostic testing. However, the business recovered strongly in the second half of the 2020/2021 financial year. The IDS Directors are confident that, once the Covid-19 pandemic has passed, IDS can return to growth and generate sustained and attractive returns but recognises that there are risks to, as well as uncertainty around, the timing and the delivery of this improved outlook.

Notwithstanding this confidence in IDS' standalone prospects, the IDS Directors recognise the benefits of scale when operating in a global competitive market. The opportunity to leverage PerkinElmer's strong global infrastructure and channel presence within autoimmunity and infectious disease testing would expand IDS' ability to serve a broader customer base and accelerate the global growth profile of its assay portfolio.

The IDS Directors also recognise that the Acquisition represents a material premium over IDS' share price and provides an immediate opportunity for Scheme Shareholders to realise, in cash, the value of their holdings, particularly in the context of IDS' relative lack of liquidity as a small cap publicly quoted company. The Acquisition represents a premium of approximately 72.5 per cent. to the Volume Weighted Average Price per IDS Share during the five year period ended on the Last Practicable Date.

Therefore, after careful consideration, the IDS Directors believe the terms of the Acquisition are in the best interests of IDS Shareholders and IDS as a whole. As such, the IDS Directors unanimously intend to recommend that Scheme Shareholders vote, or procure the vote, in favour of the Scheme at the Court Meeting and that IDS Shareholders vote, or procure the vote, in favour of the Resolutions to be proposed at the General Meeting.

The IDS Directors also believe the Acquisition is in the best interest of the employees and management of IDS as it will ensure IDS is able to leverage the resources available from being part of a major multinational organisation to drive discovery, development and sales of both our automated and manual product lines. This increased growth, and the additional resources IDS will have access to as a result of being part of the PerkinElmer Group, should allow IDS to accelerate our rate of innovation, which will in turn provide more diverse career development opportunities for our teams.

6. Conditions

The Acquisition will be conditional, amongst other things, upon:

- (i) the Scheme becoming Effective on or before 11.59 p.m. on the Long Stop Date;
- (ii) the approval of the Scheme by a majority in number of the Scheme Shareholders entitled to vote and present and voting, either in person (physically or virtually) or by proxy, at the Court Meeting representing not less than 75 per cent. in value of the Scheme Shares (or at any adjournment, postponement or reconvention of such meeting) on or before the 22nd day after the expected date of the Court Meeting to be set out in the Scheme Document in due course

(or such later date, if any, as may be agreed between PerkinElmer UK and IDS and the Court may allow);

- (iii) the passing of the Resolutions by the requisite majority of the IDS Shareholders at the General Meeting to be held on or before the 22nd day after the expected date of the General Meeting to be set out in the Scheme Document in due course (or such later date, if any, as PerkinElmer UK and IDS may agree and the Court may allow); and
- (iv) the sanction of the Scheme by the Court on or before the 22nd day after the expected date of the Court Hearing to be set out in the Scheme Document in due course (or such later date, if any, as may be agreed between PerkinElmer UK and IDS and the Court may allow) and the delivery of a copy of the Court Order to the Registrar of Companies.

The attention of IDS Shareholders is drawn to the fact that the Acquisition will also be conditional on other Conditions and certain further terms set out in Appendix I and to the full terms and conditions which will be set out in the Scheme Document.

It is expected that the Scheme Document, along with the notice of the Court Meeting and the General Meeting and the Forms of Proxy, will be published within 28 days of the date of this Announcement (or on such later date as may be agreed by the Takeover Panel).

7. Irrevocable undertakings

PerkinElmer UK has received irrevocable undertakings to vote or procure votes in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting (or, if PerkinElmer UK exercises, with the consent of the Takeover Panel, its right to implement the Acquisition by way of Takeover Offer, to accept such offer) from:

- all of the IDS Directors who hold IDS Shares in respect of their entire beneficial holdings of IDS Shares (and the holdings of certain persons connected with them), amounting, in aggregate, to 136,633 IDS Shares (representing, in aggregate, approximately 0.47 per cent. of the IDS Shares in issue on the Last Practicable Date); and
- Forum Venture Capital GmbH, Forum European Smallcaps GmbH, Shareholder Value Management AG, Shareholder Value Beteiligungen AG, Frankfurter Aktienfonds für Stiftungen and Frankfurter Value Focus Fund in respect of their entire beneficial holdings of IDS Shares, amounting, in aggregate, to 16,537,560 IDS Shares (representing, in aggregate, approximately 57.45 per cent. of the IDS Shares in issue on the Last Practicable Date).

Therefore, as at the date of this Announcement, PerkinElmer UK has received irrevocable undertakings in respect of a total of 16,674,193 IDS Shares (representing approximately 57.93 per cent. of the IDS Shares in issue on the Last Practicable Date).

Further details of the irrevocable undertakings received by PerkinElmer UK are set out in Appendix III to this Announcement.

8. Information on PerkinElmer

PerkinElmer, a multinational corporation headquartered in the United States, is listed on the New York Stock Exchange and is a component of the S&P 500 Index. PerkinElmer is a leading provider of products, services and solutions for the diagnostics, life sciences, food and applied markets.

PerkinElmer's innovative detection, discovery and development, cell imaging, informatics, and service capabilities, combined with deep market knowledge and expertise, help scientists support healthier

families, improve the quality of life, and sustain the wellbeing and longevity of people globally. PerkinElmer today operates through two segments:

- **Discovery & Analytical Solutions:** serving the life sciences and applied markets by providing a comprehensive portfolio of technologies to help researchers better understand disease and develop treatments, as well as enabling scientists to detect, monitor and manage contaminants and toxic chemicals that impact our environment and food supply; and
- **Diagnostics:** offering instruments, reagents, assay platforms, and software to hospitals, medical labs, clinicians and medical research professions with a focus on reproductive health, emerging molecular and immuno-diagnostics, and applied genomics.

PerkinElmer is headquartered in Waltham, Massachusetts. As at 3 January 2021, PerkinElmer employed approximately 14,000 people helping to serve customers in more than 190 countries and reported turnover of approximately \$3.8 billion for the fiscal year ending 3 January 2021.

9. Information on IDS

IDS is a specialist producer of manual and automated diagnostic testing kits and instruments for the clinical and research markets. IDS develops, manufactures and markets innovative immunoassays and automated immunoanalyser technologies to provide improved diagnostic outcomes for patients. IDS' immunoassay portfolio is a combination of an endocrinology specialty testing menu, a comprehensive autoimmune disease testing menu, and assay panels in complementary fields. IDS' instrument platforms, the IDS-iSYS and IDS-i10 multi-discipline automated systems, which are manufactured and developed in-house, aim to improve laboratory efficiency for IDS' customers through automated random access technology.

IDS is headquartered in Boldon Colliery, Tyne and Wear, UK with offices in Europe, the USA and a sales office in Brazil. The IDS Shares are admitted to trading on AIM under the ticker IDH.

10. IDS Share Plans

In line with IDS' usual annual practice, IDS intends to make certain further grants of options under the IDS Executive Share Option Scheme upon or following the date of this Announcement, over a total of 37,800 IDS Shares, in respect of the financial year ended 31 March 2021.

Appropriate proposals in accordance with Rule 15 of the Code will be made to participants in the IDS Share Plans.

Details of these proposals will be set out in separate letters to be sent to participants, which will be sent at the same time as the Scheme Document is published, or as soon as possible thereafter.

11. Financing

PerkinElmer UK will finance the cash consideration payable to IDS Shareholders pursuant to the Acquisition from its existing cash resources.

Perella Weinberg Partners, as financial adviser to PerkinElmer UK, is satisfied that sufficient cash resources are available to PerkinElmer UK to enable it to satisfy in full the cash consideration payable to IDS Shareholders in connection with the Acquisition.

12. Management, employees and locations of the IDS Group

The PerkinElmer Directors and the IDS Directors believe that the combination of IDS and PerkinElmer will bring each other a number of benefits, with IDS' leading chemiluminescence products in the field of

endocrinology highly complementary to PerkinElmer's existing suite of immunoassays, positioning the Combined Group as a premier player in immunodiagnostics.

Prior to this Announcement, PerkinElmer reviewed certain IDS information for the purposes of conducting a confirmatory due diligence exercise. As is customary, PerkinElmer, to date, has only been provided with limited access to information relating to IDS, its employees, management, businesses and operations. As a result, its assessment of potential synergy opportunities (as detailed below) for the Combined Group is based on its own outside-in perspectives, industry benchmarks and publicly available information.

However, if the Acquisition completes, PerkinElmer intends to undertake a detailed strategic review of the IDS business, including in relation to its assets, strategies and operations, in order to determine how best to realise the benefits of a combination and to formulate an appropriate integration plan. This strategic review and integration planning is expected to be carried out promptly following the completion of the Acquisition; however, there are no plans to materially change the strategic direction of IDS.

Notwithstanding the above and whilst cost synergies are not the primary motivation for the Acquisition, PerkinElmer has identified areas of potential cost synergies, including:

- cost savings in areas where there may be an overlap of functions, initially expected to be generated through consolidation of those corporate functions associated with IDS' current public company and investor relations activities; and
- reductions in costs achieved through likely synergies, primarily as a result of overall economies of scale related to third party spend on logistics, procurement and laboratory based items.

These synergies, which are preliminary in nature and subject to the outcome of the strategic review, are expected to accrue as a direct result of the Acquisition and could not be achieved independently of the Acquisition.

PerkinElmer does not envisage making any substantial changes to the locations of IDS' manufacturing footprint in the UK or globally. In addition, PerkinElmer recognises the importance of innovation to IDS' business and intends to maintain investment in research and development and retain key locations of research and development in the UK and globally in order to ensure that IDS remains at the forefront of developments in in-vitro diagnostics.

Employees and employment rights

PerkinElmer plans to fully observe, following completion of the Acquisition, the contractual and statutory employment rights, including in relation to pensions, of all IDS employees in accordance with applicable law. PerkinElmer does not intend to make any material changes to the conditions of employment of the employees of IDS or its subsidiaries, other than to ensure the conditions of employment remain competitive.

IDS operates a number of defined contribution pension schemes in the UK and internationally which do not fall under the scope of Rule 24.2 of the Code. In Belgium, IDS operates a defined contribution scheme, albeit this scheme covers a defined benefit obligation supported by an insurance product. At its last actuarial valuation as at 31 December 2020, this scheme had an immaterial funding deficit. PerkinElmer does not intend to make any changes to the current employer contribution or insurance arrangements, the accrual of benefits for existing members or the rights of admission of new members.

Completion of the aforementioned strategic review and an assessment of potential alterations to the structure and/or management of the IDS Group, may lead to changes in the composition and/or functions of central, divisional or local management. Specific proposals have not yet been formulated, other than a limited reduction in headcount in areas such as those supporting IDS' status as a publicly

quoted company. Any headcount reductions are expected to be insignificant. However, except as set out above and subject to the outcome of the strategic review, PerkinElmer does not intend to alter the balance of skills and functions of management and employees.

PerkinElmer believes that the ongoing participation of senior management of IDS is very important to the continued success of the Combined Group. Therefore, proposals regarding incentivisation arrangements for management and employees of IDS may be considered as part of the integration review, following completion of the Acquisition. However, no discussions related to such incentivisation arrangements have yet taken place nor will take place until after completion.

On completion of the Acquisition, it is intended that the current non-executive directors of IDS will resign.

Headquarters and locations

On completion of the Acquisition, PerkinElmer will maintain IDS' registered headquarters in Boldon Colliery, Tyne and Wear, UK. Given it is intended that admission of the IDS Shares to trading on AIM will be cancelled, and IDS will be re-registered as a private limited company shortly following completion of the Acquisition, the functional role of IDS' registered headquarters in Boldon Colliery may be partly altered due to IDS no longer being a publicly quoted company.

PerkinElmer intends to leverage the Combined Group's global presence, which may potentially result in the consolidation of minor administrative offices where feasible in order to reduce property expenses, and to enable colleagues to work more closely together. However, it has not been decided which specific locations may be impacted, if any. The Combined Group will continue to focus on remaining close to its clients across the UK and is expected to maintain a UK presence.

Other than as described above, PerkinElmer has no intention of redeploying IDS' existing material fixed assets or of effecting a material change to the overall footprint of the business.

Trading Facilities

If the Acquisition completes, PerkinElmer's intention is to seek to cancel the admission to trading on AIM of the IDS Shares, as further described at paragraph 16 below.

No statements in this paragraph 12 constitute "post-offer undertakings" for the purposes of Rule 19.5 of the Code.

13. Dividends

If any dividend or other distribution in respect of the IDS Shares is declared, paid or made on or after the date of this Announcement, PerkinElmer UK reserves the right to reduce the consideration payable for each IDS Share under the terms of the Acquisition by the amount per IDS Share of such dividend or distribution. In such circumstances, IDS Shareholders will be entitled to receive and retain any such dividend or other distribution.

14. Offer-related arrangements

Confidentiality Agreement

PerkinElmer and IDS entered into a confidentiality agreement dated 16 March 2021 (the "**Confidentiality Agreement**") pursuant to which PerkinElmer has undertaken to keep confidential information relating to IDS and not to disclose it to third parties (other than to permitted disclosees) unless required by law or regulation. These confidentiality obligations shall remain in force for a period of two years from the date of the Confidentiality Agreement. The Confidentiality Agreement also includes customary non-solicitation and standstill obligations on PerkinElmer.

Co-operation Agreement

PerkinElmer UK and IDS entered into a co-operation agreement on the date of this Announcement (the "**Co-operation Agreement**"), pursuant to which PerkinElmer UK and IDS have agreed to certain undertakings to co-operate and provide each other with reasonable information, assistance and access in relation to the filings, submissions and notifications to be made in relation to any regulatory clearances and authorisations (if any) that may be required in connection with the Acquisition.

The Co-operation Agreement records PerkinElmer UK's and IDS' intention to implement the Acquisition by way of the Scheme, subject to the ability of PerkinElmer UK to proceed by way of a Takeover Offer which is subject to obtaining the consent of the Takeover Panel, if required.

The Co-operation Agreement shall terminate with immediate effect if PerkinElmer UK and IDS so agree in writing. In addition, the Co-operation Agreement shall terminate if, inter alia (i) the IDS Directors withdraw, adversely modify or adversely qualify their recommendation of the Acquisition, (ii) the Scheme is withdrawn or lapses (other than where such lapse or withdrawal is a result of the exercise, with the consent of the Takeover Panel, of a right to switch to a Takeover Offer or is in connection with PerkinElmer UK implementing the Acquisition by a different scheme on substantially the same or improved terms and an announcement under Rule 2.7 of the Code is made in respect thereof), (iii) (save where IDS and PerkinElmer UK otherwise agree in writing) the Scheme does not become Effective by the Long Stop Date, or (iv) written notice is served by or on behalf of PerkinElmer UK or IDS where (x) a third party announces a firm intention to make an offer for IDS which is recommended by the IDS Directors and becomes effective or is declared unconditional in all respects; or (y) a Condition (other than a Condition set out in paragraph 1 of Part A of Appendix I to this Announcement) becomes incapable of satisfaction or is invoked (with the permission of the Takeover Panel) so as to cause the Acquisition not to proceed.

The Co-operation Agreement also contains provisions that will apply in respect of the IDS Share Plans.

15. Structure of the Acquisition

Scheme

The Acquisition will be effected by a Court-sanctioned scheme of arrangement between IDS and the Scheme Shareholders under Part 26 of the Companies Act. The purpose of the Scheme is to provide for PerkinElmer UK to become the owner of the entire issued and to be issued ordinary share capital of IDS. Under the Scheme, the Acquisition will be achieved by the:

- (a) transfer of the Scheme Shares held by Scheme Shareholders to PerkinElmer UK in consideration for which the Scheme Shareholders will receive cash consideration pursuant to the Scheme; and
- (b) passing of the Resolutions at the General Meeting (including amendments to IDS' Articles to ensure that any IDS Shares issued (or Treasury Shares transferred by IDS to any other person) between the approval of the Resolutions at the General Meeting and the Scheme Record Time will be subject to the Scheme and that any IDS Shares issued (or Treasury Shares transferred by IDS to any other person) after the Scheme Record Time will automatically be acquired by PerkinElmer UK).

Approval by Court Meeting and General Meeting

To become Effective, the Scheme requires, amongst other things:

- (a) the approval of a majority in number of the Scheme Shareholders entitled to vote and who vote, representing not less than 75 per cent. in value of the Scheme Shares voted, either in person (physically or virtually) or by proxy, at the Court Meeting; and
- (b) the passing of the Resolutions by the requisite majority of the IDS Shareholders entitled to vote and who vote, either in person (physically or virtually) or by proxy, at the General Meeting (to be held directly after the Court Meeting).

Application to Court to sanction the Scheme

Once the Scheme has been approved at the Court Meeting and Resolutions have been passed at the General Meeting, and the other Conditions have been satisfied or (where applicable) waived, the Scheme must be sanctioned by the Court at the Court Hearing.

The Scheme will become Effective in accordance with its terms on delivery of a copy of the Court Order to the Registrar of Companies. Upon the Scheme becoming Effective, it will be binding on all Scheme Shareholders, irrespective of whether or not they attended (physically or virtually) or voted (in person or by proxy) at the Court Meeting or General Meeting, or whether they voted in favour of or against the Scheme.

Full details of the Scheme to be set out in the Scheme Document

The Scheme Document will include full details of the Scheme, including the expected timetable and the action to be taken by IDS Shareholders. The Scheme will be governed by the laws of England and Wales and will be subject to the applicable requirements of the Code, the Takeover Panel, the AIM Rules, the London Stock Exchange and the FCA.

It is expected that the Scheme Document, along with the notice of the Court Meeting and the General Meeting and the Forms of Proxy, will be published within 28 days of the date of this Announcement (or on such later date as may be agreed by the Takeover Panel). Subject to certain restrictions relating to persons resident in Restricted Jurisdictions, the Scheme Document will also be made available on PerkinElmer's website at <https://www.perkinelmer.com/corporate/investors/important-disclaimer/index.html> and on IDS' website at <https://www.idsplc.com/investorrelations/>.

At this stage, subject to the satisfaction or waiver of the Conditions and certain further terms set out in Appendix I, PerkinElmer UK and IDS currently expect the Acquisition to become Effective in early Q3 2021.

If the Scheme does not become Effective on or before the Long Stop Date (or such later date as PerkinElmer UK and IDS may, with the consent of the Takeover Panel and, if required, the Court, agree) it will lapse and the Acquisition will not proceed (unless the Takeover Panel otherwise consents).

Right to switch to a Takeover Offer

PerkinElmer UK reserves the right to elect, with the consent of the Takeover Panel and subject to the terms of the Co-operation Agreement, to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued ordinary share capital of IDS as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on the same terms or, if PerkinElmer UK so decides, on such other terms being no less favourable (subject to appropriate amendments), so far as applicable, as those which would apply to the Scheme and subject to the amendments referred to in paragraph 6 of Part B of Appendix I to this Announcement.

Further, in such circumstances, if sufficient acceptances of the Takeover Offer are received and/or sufficient IDS Shares are otherwise acquired, it is the intention of PerkinElmer to apply the provisions of Chapter 3 of Part 28 of the Companies Act to acquire compulsorily the remaining IDS Shares in respect of which the Takeover Offer has not been accepted.

16. Cancellation of admission to trading on AIM and re-registration of IDS

Prior to the Scheme becoming Effective, an application will be made to the London Stock Exchange for the admission of the IDS Shares to trading on AIM to be cancelled shortly after the Effective Date. The last day of dealings in, and for registration of transfers of, IDS Shares is expected to be the Business Day immediately prior to the Effective Date and no transfers will be registered after 6.00 p.m. on that day. On the Effective Date, IDS will become an indirectly wholly-owned subsidiary of PerkinElmer and share certificates held by Scheme Shareholders in respect of the Scheme Shares will cease to be valid and should be destroyed. In addition, entitlements to IDS Shares held in CREST will be cancelled on the Effective Date.

It is also intended that shortly after the Effective Date, IDS will be re-registered as a private limited company under the relevant provisions of the Companies Act.

17. Disclosure of interests in IDS

As at the close of business on the Last Practicable Date, save for the irrevocable undertakings referred to in paragraphs 3 (*Recommendation*) and 7 (*Irrevocable undertakings*) above, none of PerkinElmer UK or any director of PerkinElmer UK or, so far as PerkinElmer UK is aware, any person acting, or deemed to be acting, in concert with PerkinElmer UK:

- (a) had an interest in, or right to subscribe for, relevant securities of IDS;
- (b) had any short position in (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery of, relevant securities of IDS;
- (c) had procured an irrevocable commitment or letter of intent to accept the terms of the Acquisition in respect of relevant securities of IDS; or
- (d) had borrowed or lent, or was party to any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Code, in relation to relevant securities of IDS.

Furthermore, save for the irrevocable undertakings described in paragraph 7 (*Irrevocable undertakings*) above, no arrangement exists between PerkinElmer UK or IDS or a person acting in concert with PerkinElmer UK or IDS in relation to IDS Shares. For these purposes, an "arrangement" includes any indemnity or option arrangement, any agreement or any understanding, formal or informal, of whatever nature, relating to IDS Shares which may be an inducement to deal or refrain from dealing in such securities.

IDS Shareholders are strongly advised to read the formal documentation in relation to the Acquisition once it has been despatched. Each IDS Shareholder is urged to consult its independent professional adviser immediately regarding the tax consequences to it (or its beneficial owners) of the Acquisition.

The statements contained in this Announcement are made as at the date of this Announcement, unless some other time is specified in relation to them, and publication of this Announcement shall not give

rise to any implication that there has been no change in the facts set forth in this Announcement since such date.

This Announcement does not constitute a prospectus or prospectus equivalent document.

Overseas shareholders

The release, publication or distribution of this Announcement in or into jurisdictions other than the UK may be restricted by law and therefore any persons who are subject to the law of any jurisdiction other than the UK should inform themselves about, and observe, any applicable legal or regulatory requirements. In particular, the ability of persons who are not resident in the UK to vote their IDS Shares at the Court Meeting or General Meeting, or to appoint another person as proxy to vote at the Court Meeting or General Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Any failure to comply with the applicable restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person. This Announcement has been prepared for the purpose of complying with the laws of England and Wales, the AIM Rules and the Code and the information disclosed may not be the same as that which would have been disclosed if this Announcement had been prepared in accordance with the laws of jurisdictions outside of England and Wales. Unless otherwise determined by PerkinElmer UK or required by the Code, and permitted by applicable law and regulation, the Acquisition will not be made available directly or indirectly in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by use of mail or any other means or instrumentality (including, without limitation, facsimile, email or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of, any Restricted Jurisdiction.

Copies of this Announcement and any formal documentation relating to the Acquisition will not be and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from any Restricted Jurisdiction or any jurisdiction where to do so would violate the laws of that jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in, into or from any Restricted Jurisdiction. Doing so may render invalid any related purported vote in respect of the Acquisition.

The availability of the Acquisition to IDS Shareholders who are not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions in which they are resident. Persons who are not resident in the United Kingdom should inform themselves of, and observe, any applicable requirements. Further details in relation to IDS Shareholders in overseas jurisdictions will be contained in the Scheme Document.

The Acquisition will be subject to English law and the jurisdiction of the Court, and the applicable requirements of the Code, the Takeover Panel, the London Stock Exchange, the AIM Rules and the FCA.

Additional information for US investors

The Acquisition relates to the shares of a UK company and is being made by means of a scheme of arrangement provided for under the laws of England and Wales. The Scheme is not subject to the proxy solicitation or tender offer rules under the United States Securities Exchange Act of 1934, as amended. The Scheme will be subject to disclosure requirements and practices applicable in the United Kingdom and to schemes of arrangement under the laws of England and Wales, which are different from the disclosure and other requirements applicable to a US tender offer. Neither the United States Securities and Exchange Commission, nor any securities commission of any state of the United States, has approved or disapproved any offer, or passed comment upon the adequacy or completeness of any of

the information contained in this document. Any representation to the contrary is a criminal offence in the United States.

Financial information relating to IDS included in this Announcement and the Scheme Document has been or will have been prepared in accordance with accounting standards applicable in the United Kingdom that may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

It may be difficult for US holders of IDS Shares to enforce their rights and any claims they may have arising under US federal securities laws in connection with the Acquisition, since IDS is organised under the laws of a country other than the United States, and some or all of its officers and directors may be residents of countries other than the United States, and most of the assets of IDS are located outside of the United States. US holders of IDS Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US federal securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's jurisdiction or judgment.

The receipt of cash consideration by a US holder for the transfer of its IDS Shares pursuant to the Scheme may be a taxable transaction for United States federal income tax purposes. Each US holder is urged to consult its independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to it, including under applicable United States state and local, as well as overseas and other, tax laws.

The Acquisition may, in the circumstances provided for in this Announcement, instead be carried out by way of a Takeover Offer under the laws of England and Wales. If PerkinElmer UK exercises, with the consent of the Takeover Panel, its right to implement the Acquisition by way of a Takeover Offer instead of the Scheme, such Takeover Offer will be made in compliance with applicable US tender offer and other securities laws and regulations, including the exemptions therefrom. Any Takeover Offer will be made in the United States by PerkinElmer UK and no one else.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th Business Day following the commencement of the Offer Period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror, and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the Offer Period commenced and when any offeror was first identified. You should contact the Takeover Panel's Market Surveillance Unit on +44 (0) 20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Part B: Certain further terms of the Acquisition

1. The Scheme will not become effective unless the Conditions have been fulfilled or (if capable of waiver) waived or, where appropriate determined by PerkinElmer UK to be or remain satisfied by 11.59 p.m. (London time) on the Long Stop Date.
2. Subject to the requirements of the Takeover Panel in accordance with the Code, PerkinElmer UK reserves the right in its sole discretion to waive (if capable of waiver) in whole or part:
 - (a) any of the Conditions set out in the above Condition 1 of Part A of this Appendix I relating to the timing of the Court Meeting, the General Meeting and the sanctioning of the Scheme. If any of the deadlines for those events are not met, PerkinElmer shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with IDS to extend the deadline in relation to the relevant Condition. For the avoidance of doubt, the Conditions set out in the above Condition 1 of Part A are not otherwise capable of waiver; and
 - (b) all or any of the above Conditions 2(a) (*Regulatory approvals and clearances*) to (h) (*No discovery of certain matters regarding information and liabilities, corruption and intellectual property*) (inclusive) of Part A of this Appendix I.
3. Conditions 2(a) (*Regulatory approvals and clearances*) to (h) (*No discovery of certain matters regarding information and liabilities, corruption and intellectual property*) (inclusive) of Part A of this Appendix I must be fulfilled or waived (to the extent capable of waiver) by no later than 11:59 p.m. on the date immediately preceding the date of the Court Hearing, failing which the Scheme will lapse or, if the Acquisition is implemented by way of a Takeover Offer, no later than as permitted by the Takeover Panel. PerkinElmer UK shall be under no obligation to waive or treat as fulfilled any of the Conditions which are capable of being waived or fulfilled by a date earlier than the latest date specified above for the waiver or fulfilment thereof, notwithstanding that any such Condition or other Conditions of the Scheme and the Acquisition may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.

4. Under Rule 13.5(a) of the Code, PerkinElmer UK may not invoke a Condition so as to cause the Acquisition not to proceed, to lapse or be withdrawn, unless the circumstances which give rise to the right to invoke the Condition are of material significance to PerkinElmer UK in the context of the Acquisition. The Conditions set out in the above Condition 1 of Part A of this Appendix I (and, if applicable, any acceptance condition adopted on the basis specified in paragraph 6 below in relation to any Takeover Offer) are not subject to this provision of the Code.
5. If PerkinElmer UK is required by the Takeover Panel to make an offer for IDS Shares under the provisions of Rule 9 of the Code, PerkinElmer UK may make such alterations to the Conditions and certain further terms of the Acquisition as are necessary to comply with the provisions of that Rule.
6. PerkinElmer UK reserves the right to elect (with the consent of the Takeover Panel) to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such event, the Takeover Offer will be implemented on substantially the same terms, subject to appropriate amendments, as far as applicable, as those which would apply to the Scheme. The acceptance condition would be set at 90 per cent. of the shares to which such Takeover Offer relates (or such lesser percentage as PerkinElmer UK may decide with the consent of the Takeover Panel provided that if it became or was declared unconditional in all respects, the Takeover Offer would result in PerkinElmer UK holding IDS Shares carrying greater than 50 per cent. of the voting rights in IDS). Further, if sufficient acceptances of the Takeover Offer are received and/or sufficient IDS Shares are otherwise acquired, it is the intention of PerkinElmer UK to apply the provisions of the Companies Act to compulsorily acquire any outstanding IDS Shares to which such Takeover Offer relates.
7. The Acquisition will lapse (unless otherwise agreed with the Takeover Panel) if:
 - (a) in so far as the Acquisition or any matter arising from or relating to the Scheme or Acquisition constitutes a concentration with a community dimension within the scope of the Merger Regulation, the European Commission initiates proceedings under Article 6(1)(c) of the Merger Regulation; or
 - (b) the Scheme or Acquisition or any matter arising from or relating to the Acquisition becomes subject to a CMA Phase 2 Reference,in each case, before the date of the Court Meeting.
8. The IDS Shares shall be acquired by PerkinElmer UK, with full legal title and beneficial ownership, fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third party rights and interests whatsoever and together with all rights existing at the date of this Announcement or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the date of this Announcement in respect of the IDS Shares.
9. If any dividend or other distribution in respect of the IDS Shares is declared, paid or made on or after the date of this Announcement, PerkinElmer UK reserves the right to reduce the consideration payable for each IDS Share under the terms of the Acquisition by the amount per IDS Share of such dividend or distribution, in which case any reference in this Announcement or in the Scheme Document to the offer consideration for the IDS Shares will be deemed to be a reference to the offer consideration as so reduced. Any exercise by PerkinElmer UK of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Offer

and, in such circumstance, the IDS Shareholders will be entitled to receive and retain any such dividend or other distribution.

10. The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of relevant jurisdictions. Therefore any persons who are subject to the laws of any jurisdiction other than the United Kingdom and any IDS Shareholders who are not resident in the United Kingdom will need to inform themselves about and observe any applicable requirements.
11. Unless otherwise determined by PerkinElmer UK or required by the Code and permitted by applicable law and regulations, the Acquisition is not being, and will not be, made, directly or indirectly, in, into or by the use of the mails of, or by any other means or instrumentality (including, without limitation, facsimile, email or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction and will not be capable of acceptance by any such use, means, instrumentality or facility or from within any Restricted Jurisdiction. Further information in relation to overseas shareholders will be contained in the Scheme Document.
12. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
13. This Announcement and any rights or liabilities arising hereunder, the Acquisition, the Scheme and the Forms of Proxy will be governed by the laws of England and Wales and will be subject to the jurisdiction of the courts of England. The Acquisition shall be subject to the applicable requirements of the Code, the Takeover Panel, the AIM Rules and the FCA.

IFRS 16 leases have been excluded from the net debt calculation, but amounted to £2.3 million as at 31 March 2021.
4. The volume weighted average prices of an IDS Share are derived from data provided by Bloomberg.
5. The Closing Prices of an IDS Share are derived from the AIM Appendix to the Daily Official List.
